NADMEX 2024

ABOUT

Organized by Sektörel Fuarçılık and Istanbul Technical University (ITU), NADMEX 2024 will bring together the most important actors in the field of disaster management at the Istanbul Expo Center from October 2-4, 2024, under the motto "Life Counts."

Supported by the Republic of Türkiye Ministry of Interior Disaster and Emergency Management Presidency (AFAD), Istanbul Metropolitan Municipality (İBB) and Istanbul Fire Department, Istanbul Disaster Coordination Center (AKOM), Accumulator and Recycling Industrialists Association (AKÜDER), ANDA Association, Earthquake Fortification Association (DEGÜDER), Turkish Association for Seismic Isolation (TASI), Fire Prevention and Protection Association (FPPA), Association of Turkish Construction Material Producers (IMSAD), Japan International Cooperation Agency (JICA), Social Platform for Disasters (TAP), Building Inspection & Earthquake Engineering Association (YDDMD), the fair will bring together public officials, experts and companies offering a wide range of products, services, and solutions in disaster management with 8 different product groups to create a more resilient and safer society.

At the fair, dozens of products, services, and solutions in the categories of search and rescue, emergency and first aid, firefighting and fire prevention vehicles and equipment, occupational safety and protective clothing, energy storage and generators, lighting, communication and software solutions, and education and awareness solutions will meet with fair visitors.

NADMEX 2024

DISASTER MANAGEMENT SUMMIT

Organized by Istanbul Technical University and led by Prof. Dr. Mikdat KADIOĞLU, the NADMEX – Disaster Management Summit brings together internationally renowned experts in disaster management from academia, the public sector, private sector, and NGOs under one roof.

At the NADMEX – Disaster Management Summit, the conference program will cover:

- **Earthquake (Hazard and Risk Assessment)**
- **Construction (Urban Transformation and Safe Building Practices)**
- **Vulnerable Groups**
- **Fire (Fire and Hazardous Material Risk)**
- **NGOs (Non-Governmental Organizations)**
- **Logistical Support**
- **Communication & Telecommunication Infrastructure**
- **Energy Infrastructure**
- **Nutrition and Shelter**
- **Health in Disasters**
- **Financing**

Experts from academia, public institutions, the private sector, and NGOs will share their knowledge and experience in these sessions.

Leading institutions in Disaster Management and Coordination, such as ITU, Boğaziçi University Kandilli Observatory, Disaster And Emergency Management Presidency (AFAD), Istanbul Project Coordination Unit, Istanbul Fire Department under Istanbul Metropolitan Municipality, KİPTAŞ, İGDAŞ, Red Cross (KIZILAY), and Natural Disaster Insurance Institution (DASK), along with civil society organizations like the AHBAP Platform, Needs Map (İhtiyaç Haritası), Disaster and Emergency Technologies Platform (AFETTEK), Federation of Disaster Preparedness and Response (AFEDEF), Disaster Logistics Coordination Board (ALKK), and Woman in Technology Association (Wtech), which work voluntarily to strengthen community resilience and symbolize hope and solidarity in the face of challenges, will participate in the Disaster Management Summit. They will share their knowledge and experience with the audience, providing the most up-to-date and valuable information in the field of disaster management.

NADMEX 2024

WORKSHOP and TRAINING AREA

With the goal of evaluating Disaster Management from a 360-degree perspective, NADMEX 2024 will bring its motto, **'Life is Valuable,'** to life through workshops, drills, and training sessions in addition to the fair and summit.

Starting from the idea that every piece of information can save lives before and during a disaster, professionals will provide valuable knowledge and essential skills to participants through training sessions on **'Fire Protection and Initial Response,' 'First Aid Techniques,'** and **'Rescue Equipment Use and Knot Tying Techniques.'**

Additionally, the Kandilli Observatory's **"Earthquake Simulation Training"** and **"Furniture Securing Training"** will educate participants on the necessary precautions to take before an earthquake and how to act during one.

Demonstrations by the Istanbul Fire Department's K9 Search and Rescue Team will highlight the critical role these specially trained dogs play in search and rescue operations.

NADMEX 2024

WHY EXHIBIT?

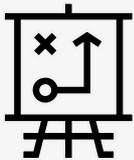

1

Showcase Your Latest Products and Meet Potential Customers

Take the first step to introduce your products to industry professionals and interact directly with potential customers. Showcase your latest technologies, innovative solutions, and product features to a broad audience, establishing strong connections with your target market while increasing your visibility and expanding your customer portfolio.

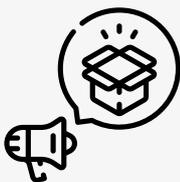

2

Develop Your Product Strategy by Keeping Up with the Latest Innovations

With eight different product groups, NADMEX 2024 brings you the latest innovations and technologies in the industry. By exhibiting in the fair, stay up-to-date with market trends, and through your interactions, enhance your existing product and positioning strategies to gain a competitive advantage.

3

Increase Your Brand Awareness and Strengthen Your Position in the Industry

NADMEX 2024 provides the ideal environment to introduce your brand to a wider audience and consolidate your place in the industry. Present your brand to participants and build long-term brand loyalty.

4

Gain Valuable Connections from Both the Public and Private Sectors

Organized by Sektörel Fairs and Istanbul Technical University, and supported by many public and non-governmental organizations, NADMEX 2024 will bring together many professionals specializing in disaster management. By exhibiting, meet numerous experts in the field and expand your network.

NADMEX 2024

EXHIBITOR PROFILE

Construction and Reconstruction Companies	Defense and Security Companies	Emergency Equipment Manufacturers and Communication Systems Providers	Emergency Management Companies	Energy Storage Companies	Environmental and Cleaning Equipment Manufacturers
Fire Safety Equipment Manufacturers	Fire Truck and Equipment Manufacturers	First Aid Supplies Manufacturers	Generator Manufacturers	Health and Medical Equipment Manufacturers	Heavy Machinery Manufacturers
Hydraulic and Mechanical Equipment Manufacturers	Lighting Companies	Logistics Solutions and Consultancy Companies	Medical and Hygiene Products Manufacturers	Occupational Safety Equipment Manufacturers	Safety and Protection Equipment Manufacturers
Search and Rescue Equipment Manufacturers	Search and Rescue Vehicle Manufacturers	Technology and Software Companies	Textile Manufacturers	Training and Awareness Organizations	Underwater Rescue Equipment Manufacturers

NADMEX 2024

PRODUCT GROUPS

1.1. Land Rescue

- Ambulances
- Hammers, Hooks, and Lifting Equipment
- Off-road Vehicles
- Patient Transport Vehicles
- Rescue Dog Equipment
- Rescue Vehicles
- Ropes and Rope Systems
- Telescopic Ladders

1.2. Air Rescue

- Air Ambulances
- Air Rescue Cables
- Air-Supported Rescue Equipment
- Firefighting Planes
- Helicopters
- Unmanned Aerial Vehicles (UAVs)

1.3. Underwater Rescue

- Boats and Rescue Boats
- Diving and Underwater Rescue Equipment
- Drift Prevention Boats
- Jet Skis
- Ships
- Unmanned Underwater Vehicles (UUVs)

1.4. Technological and Support Equipment

- Air Compressors
- Cranes
- Fiber Optic Cameras
- Hydraulic Tools and Cutters
- Hydrolift
- Jack Systems
- Night Vision Cameras
- Search and Rescue Technologies
- Thermal Cameras

1.5. Logistics, Heavy Equipment and Other Vehicles

- Articulated and Telescopic Platforms
- Catering Vehicles
- Concrete Machines
- Dump Trucks
- Electric Saws, Cutting, and Drilling Equipment and Tools
- Excavation and Construction Equipment
- Excavators
- Funeral Transport and Washing Vehicles
- Garbage Semi Trailers

- Hooklift
- Hydraulic Compactor Garbage Trucks
- Irrigation Tankers
- Platform Basket Lifts
- Repair and Maintenance Vehicles
- Vacuum Tankers-Combined Sewer Cleaning Vehicles

2.1. First Aid and Health

- Antiseptics
- Bandages
- First Aid Kits
- Hand Sanitizers
- Hygienic Pads
- Medical Dressings
- Oxygen Cylinders
- Respiratory Support Devices and Materials
- Stretchers and Transport Equipment
- Toilet Paper
- Toilet Solutions
- Wound Cleaning Materials

2.2 Food and Water

- Canned Foods
- Clean Water and Sanitation Equipment
- Emergency Food Packs
- Energy Bars
- Portable Water Storage Tanks
- Water Purification Devices
- Water Purification Tablets

2.3. Shelter and Accommodation

- Construction and Reconstruction Materials
- Containers
- Temporary Shelter and Accommodation Solutions
- Tents

2.4. Mobile Solutions

- Mobile Banks
- Mobile Base Stations
- Mobile Hospitals

NADMEX 2024

PRODUCT GROUPS

3. FIREFIGHTING VEHICLES AND FIRE PROTECTION EQUIPMENT

- Fire Engines
- Fire Escapes
- Fire Hoses and Nozzles
- Fire Pumps
- Fire Trucks
- Fire-resistant Materials
- Foam Extinguishing Systems
- Gas Masks
- Portable Single Gas Detectors
- Station Uniforms

4. OCCUPATIONAL SAFETY AND PROTECTIVE CLOTHING

- Bondtech (Surface and Bonding Techniques)
- Chemical Detection Devices
- Coated Textiles
- Composites
- Disposable Coveralls Resistant to Solid Materials
- Equipment and Materials for Protection Against Explosions and Toxic Substances
- Fibers and Yarns
- Functional Clothing Textiles
- Measurement and Control Technology Products and Equipment
- Protective Clothing
- Protective Helmets
- Safety Devices for Machines
- Safety Glasses and Goggles
- Special Coated Clothing, Insulation Clothing
- Work Gloves
- Braiddings, Laid Webs, Knitted Fabrics, Woven Fabrics

5. ENERGY STORAGE AND GENERATORS

- Batteries
- Chargers
- Generators and Portable Generators
- Rechargeable Batteries
- Solar Panels

6. LIGHTING

- Flashers, Signal Lights and Flares
- Flashlights, Camping and Work Lamps
- Light Strips and Tent Lighting Systems
- Lighting Poles and Lighting Systems
- Portable LED Lamps and Lanterns
- Portable Lighting Poles
- Solar-Powered Lighting Solutions

7. COMMUNICATION AND SOFTWARE SOLUTIONS

- Crisis Management, Disaster Tracking, and Disaster Warning Systems
- Disaster Management Software
- Disaster Simulation and Planning Software
- Emergency Communication Systems
- Geographic Information System (GIS) Applications
- GPS and Navigation Devices
- Mobile Communication Solutions
- Personal Monitors
- Portable Radios
- Satellite Phones
- Sound Detectors
- Walkie-Talkies

8. EDUCATION AND AWARENESS SOLUTIONS

- Community-Based Disaster Education and Solutions
- Disaster Awareness and Education Materials
- Disaster Awareness Programs
- Education and Awareness Solutions
- Simulation and Training Programs

NADMEX

WHY VISIT?

1

Discover Practical Solutions in Disaster Management

Bringing together experts from private and public sectors and a wide range of products, NADMEX 2024 offers the best platform to discover practical solutions that can save lives during and after disasters.

2

Keep up with Current Trends and Technologies

NADMEX 2024, will bring together eight main product groups to help build resilient communities. By visiting, observe industry trends closely by learning about innovative products, new technologies, systems, and solutions.

3

Seize networking opportunities

Connect directly with key players in the private and public sectors, expand your social network, and take the first step for new collaborations.

4

Participate in Sessions and Workshops on Disaster Management

Attending NADMEX – Disaster Management Summit and the workshops, get to chance to listen to internationally renowned experts. Learn about current developments, advanced technologies, and effective solutions in disaster management.

5

Explore Investment and Collaboration Opportunities

Access a variety of products and solutions from different participating companies, engage directly with manufacturers, and seize new business opportunities.

6

Take Steps to Raise Public Awareness

By discovering the latest innovations, products, and solutions in disaster management at NADMEX 2024, take the first step to protect your community, contributing to the creation of a disaster-resilient society.

NADMEX VISITOR PROFILE

All Private Sector Factories, Commercial Centers, and Shopping Mall Investors	All Public Institutions and Organizations	Chambers of Commerce and Industry	Contractors, Engineers, Architects, Contracting, Building Inspection, and Construction Companies	Embassies, Consulates, and Attaché Offices	Fire Departments of Türkiye's Metropolitan Municipalities
Gendarmerie, Police, and Coast Guard Organizations	Governorates, District Governorates, and Municipalities	Hospitals and Public Spaces	Occupational Health and Safety State Institutions and Organizations	Organized Industrial Zone Directorates	Private Security and Security Training Companies
Provincial Civil Defense Directorates	Regional Directorates of Electricity Distribution in Türkiye	Regional Directorates of Electricity Transmission in Türkiye	Regional Directorates of Private Electricity Distribution Companies	Relevant Ministries and Affiliated Institutions	Republic of Türkiye Disaster And Emergency Management Presidency (AFAD)
Search and Rescue Teams	Security Institutions, Institutes, and Educational Institutions	Turkish Armed Forces	Union of Turkish Municipalities, Metropolitan Municipalities, and District Municipalities	Universities, Educational Institutions, and Academics	Urban Facility Management, Housing, and Commercial Building Management Institutions and Organizations
