# TÜRKİYE SAID “LIFE COUNTS” at NADMEX

SAVE THE DATE!

**4-6 DECEMBER 2025**

NADMEX Disaster Management Exhibition and Summit, aiming to contribute to the formation of a disaster-resilient society, was held for the first time in Türkiye at the İstanbul Expo Center, Hall 9, on 2-4 October, 2024. The event brought together academia, public sector, private sector, and civil society organizations working in the field of disaster management. Over the course of three days, **NADMEX** hosted pioneering figures in disaster management from Türkiye and around the world, marking a major success and successfully closed its door.

The exhibition, featuring 8 different product groups, served as an important platform showcasing the most innovative products in the field of disaster management and fostering new collaborations. **NADMEX 2024** hosted over **80 exhibitors and 7,456 professional visitors over the three-day event**. The exhibition showcased numerous innovative products, including search and rescue equipment, emergency solutions, fire protection gear, technical textiles, custom fiber products, and innovative, sustainable metal processing solutions, among many other cutting-edge products.

At the Disaster Management Summit, Expert Talks, and the Training Area programs, 32 sessions, 9 hands-on training sessions, and 2 drills took place, featuring over 65 speakers.

**The NADMEX Disaster Management Exhibition and Summit will return next year, taking place on December 4-6, 2025, at the İstanbul Expo Center. We look forward to meeting you again next year, with the aim of contributing to the creation of a more resilient society under the motto “Life Counts.”**

## NADMEX 2024

# EXHIBITION AND SUMMIT OPENING CEREMONY

## Visitor Countries

### TOP 10

-  Japan
-  United States of America
-  Libya
-  United Arab Emirates
-  Poland
-  Ethiopia
-  Saudi Arabia
-  Italy
-  Austria
-  United Kingdom

# NADMEX 2024

# EXHIBITOR PRODUCT GROUPS

## 1.1. Land Rescue

- Ambulances
- Hammers, Hooks, and Lifting Equipment
- Off-road Vehicles
- Patient Transport Vehicles
- Rescue Dog Equipment
- Rescue Vehicles
- Ropes and Rope Systems
- Telescopic Ladders

## 1.2. Air Rescue

- Air Ambulances
- Air Rescue Cables
- Air-Supported Rescue Equipment
- Firefighting Planes
- Helicopters
- Unmanned Aerial Vehicles (UAVs)

## 1.3. Underwater Rescue

- Boats and Rescue Boats
- Diving and Underwater Rescue Equipment
- Drift Prevention Boats
- Jet Skis
- Ships
- Unmanned Underwater Vehicles (UUVs)

## 1.4. Technological and Support Equipment

- Air Compressors
- Cranes
- Fiber Optic Cameras
- Hydraulic Tools and Cutters
- Hydrolift
- Jack Systems
- Night Vision Cameras
- Search and Rescue Technologies
- Thermal Cameras

## 1.5. Logistics, Heavy Equipment and Other Vehicles

- Articulated and Telescopic Platforms
- Catering Vehicles
- Concrete Machines
- Dump Trucks
- Electric Saws, Cutting, and Drilling Equipment and Tools
- Excavation and Construction Equipment
- Excavators
- Funeral Transport and Washing Vehicles
- Garbage Semi Trailers

- Hooklift
- Hydraulic Compactor Garbage Trucks
- Irrigation Tankers
- Platform Basket Lifts
- Repair and Maintenance Vehicles
- Vacuum Tankers-Combined Sewer Cleaning Vehicles

## 2.1. First Aid and Health

- Antiseptics
- Bandages
- First Aid Kits
- Hand Sanitizers
- Hygienic Pads
- Medical Dressings
- Oxygen Cylinders
- Respiratory Support Devices and Materials
- Stretchers and Transport Equipment
- Toilet Paper
- Toilet Solutions
- Wound Cleaning Materials

## 2.2 Food and Water

- Canned Foods
- Clean Water and Sanitation Equipment
- Emergency Food Packs
- Energy Bars
- Portable Water Storage Tanks
- Water Purification Devices
- Water Purification Tablets

## 2.3. Shelter and Accommodation

- Construction and Reconstruction Materials
- Containers
- Temporary Shelter and Accommodation Solutions
- Tents

## 2.4. Mobile Solutions

- Mobile Banks
- Mobile Base Stations
- Mobile Hospitals

# NADMEX 2024

## EXHIBITOR PRODUCT GROUPS

### 3. FIREFIGHTING VEHICLES AND FIRE PROTECTION EQUIPMENT

- Fire Engines
- Fire Escapes
- Fire Hoses and Nozzles
- Fire Pumps
- Fire Trucks
- Fire-resistant Materials
- Foam Extinguishing Systems
- Gas Masks
- Portable Single Gas Detectors
- Station Uniforms

### 4. OCCUPATIONAL SAFETY AND PROTECTIVE CLOTHING

- Bondtech (Surface and Bonding Techniques)
- Chemical Detection Devices
- Coated Textiles
- Composites
- Disposable Coveralls Resistant to Solid Materials
- Equipment and Materials for Protection Against Explosions and Toxic Substances
- Fibers and Yarns
- Functional Clothing Textiles
- Measurement and Control Technology Products and Equipment
- Protective Clothing
- Protective Helmets
- Safety Devices for Machines
- Safety Glasses and Goggles
- Special Coated Clothing, Insulation Clothing
- Work Gloves
- Braiddings, Laid Webs, Knitted Fabrics, Woven Fabrics

### 5. ENERGY STORAGE AND GENERATORS

- Batteries
- Chargers
- Generators and Portable Generators
- Rechargeable Batteries
- Solar Panels

### 6. LIGHTING

- Flashers, Signal Lights and Flares
- Flashlights, Camping and Work Lamps
- Light Strips and Tent Lighting Systems
- Lighting Poles and Lighting Systems
- Portable LED Lamps and Lanterns
- Portable Lighting Poles
- Solar-Powered Lighting Solutions

### 7. COMMUNICATION AND SOFTWARE SOLUTIONS

- Crisis Management, Disaster Tracking, and Disaster Warning Systems
- Disaster Management Software
- Disaster Simulation and Planning Software
- Emergency Communication Systems
- Geographic Information System (GIS) Applications
- GPS and Navigation Devices
- Mobile Communication Solutions
- Personal Monitors
- Portable Radios
- Satellite Phones
- Sound Detectors
- Walkie-Talkies

### 8. EDUCATION AND AWARENESS SOLUTIONS

- Community-Based Disaster Education and Solutions
- Disaster Awareness and Education Materials
- Disaster Awareness Programs
- Education and Awareness Solutions
- Simulation and Training Programs

# WHAT DID THEY SAY ABOUT NADMEX 2024?

## **DENGE ELECTRONICS**

**Nurettin Erzurum**, General Manager

Our NADMEX exhibition is going really well today. We are very busy. Both the public and private sectors have shown intense interest in the exhibition. We are really struggling to keep up. We believe that NADMEX will be a leading brand in the future. Because here, both the public and private sectors, exhibitors, and visitors can find everything they are looking for. It has been an exhibition that meets expectations. I would like to express my special thanks to the those who organized this event. We are already reserving our place for the next exhibition.

## **EDA BRANDA**

**Onur Demirel**, Owner

Normally, we meet with municipal officials more through appointment-based meetings, but here at the exhibition, we have had the chance to meet with disaster coordination centers, lifeguards, and municipalities. We thank NADMEX for their contributions. Normally, we would not be able to reach these people in just three days, but we did. We are very pleased and grateful.

## **KAST GROUP GERMANY**

**Abdulrahman Al Sabbagh**, Middle East and Africa Sales Director

This is the first time we participated in NADMEX in İstanbul. We find it as a very good chance to explore the opportunities in this market, and we find it as a really good exhibition to be at. Thank you!

## **LAZERSAN ELECTRONIC**

**Burak Derya**, General Manager & Company Partner

Exhibitions like NADMEX are very valuable for emerging companies like us to showcase their standout products. More importantly, these exhibitions help to address the adverse situations in our country more quickly.

# WHAT DID THEY SAY ABOUT NADMEX 2024?

## **NIKKE SHOJI CO., LTD.**

**Toshikazu Otsuka**, General Manager

Even though it is the first day, the visitors have shown great interest in our products. Especially our flame-resistant blankets and foldable helmets have attracted attention from both disaster management professionals and associations. Thank you so much for your interest.

[WATCH THE VIDEO](#)

## **SOLAGRON BIOLOGICAL AND STRATEGIC PRODUCTS IND. AND TRADE INC.**

**Taner Şenol**, General Manager

We have met with both public and private sectors at NADMEX. We have also met with civil society organizations. We are quite satisfied with the environment. I can say that we received a lot of interest. The visitors who came to our booth were from our targeted customer base. We are very pleased that we were able to promote our products at this exhibition. We plan to participate in future NADMEX exhibitions as well.

[WATCH THE VIDEO](#)

## **TNR PREFABRİK INDUSTRY AND TRADE INC.**

**Ahu Rezzan Eker**, Foreign Trade Manager

NADMEX was a wonderful organization for us. All stakeholders, including AFAD and everyone involved in this field, came together. We would like to thank TG Expo for organizing such an event. We hope to contribute again next year with our new products.

[WATCH THE VIDEO](#)

## **UTOPEAK OUTDOOR**

**Cihat Öz**, Owner

NADMEX Exhibition, the first disaster management and disaster summit held in Türkiye, brought together rescue teams, conducted drills, and hosted many companies in this sector. It went really well, even better than I expected.

# WHAT DID THEY SAY ABOUT NADMEX 2024?

## **VAROL ÇADIR**

**Ramazan Varol**, General Manager

We are very happy to be at NADMEX. As the Varol Çadır family, we answered questions regarding the standards of tents in disaster situations and presented the roles of tents in such cases. The interest was much higher than we anticipated. Despite it being the first event to be organized, we realized that we were at the right place, at the right time. We are very pleased to be here. We thank everyone who contributed to the organization of the exhibition.

## **ZIEL TECHNOLOGY AND INDUSTRIAL PRODUCTS INC.**

**Metin Barut**, Chairman of the Board of Directors

We have very positive thoughts about NADMEX. The machines, equipment, and technologies that our country needs could only be promoted and advanced through such an exhibition. We sincerely thank those who organized NADMEX.

## **AHMET NEHAR POÇAN**

**AFAD**, General Director of Shelter and Construction Affairs

A great program has been organized here. We had a chance to give a speech and later explore the exhibition. I was very happy to see the crowd and have the opportunity to visit many stands. I have seen similar programs in Dubai and Geneva, and I'm very glad to see one happening in our country. I look forward to its continuation and hope that it grows with even wider participation in the coming years. Thanks to everyone.

## **PROF. DR. HALUK ÖZENER**

**AFAD**, Director of Istanbul Branch

We live in a region that is very vulnerable to earthquakes, and various other disaster types also pose a threat to our country. Specifically about NADMEX, this is an exhibition where public institutions, private sectors, and civil society organizations, all stakeholders in disaster management, come together. It is not just about the exhibition itself, but the sessions and presentations also contribute to raising the level of awareness about disasters. I believe that this exhibition, and perhaps future editions, will provide significant contributions to the disaster management sector and our country.

# WHAT DID THEY SAY ABOUT NADMEX 2024?

## **HAYATO YAMANAKA**

Emeritus Professor, Kwansei Gakuin University

Japan and Türkiye have a very similar feature of natural conditions. We have a tremendous amount of natural disasters every year. So, we need a special event to share the knowledge and information on disaster management. This is a very good opportunity to do that. So, I hope that the project is going well.

## **MUSA ALPHAN BAHAR**

Natural Disaster Insurance Institution, Project Coordination and Field Management

I attended NADMEX as a speaker on behalf of our institution, but I also had the opportunity to explore the exhibition. I believe it's a great example that will raise awareness about disaster preparedness and show what measures can be taken in the future. I hope this event continues in the future. Thank you.

## **PROF. DR. ORHAN TATAR**

AFAD, General Director of Earthquake and Risk Reduction

We are very happy to be here today. AFAD is present here with a large team at the NADMEX Disaster Management Exhibition. We are especially happy to see representatives from civil society organizations and the private sector. I would like to thank all the stakeholders who contributed to this event and TG Expo's management and organization team for inviting us. Our biggest wish is for these types of events to continue in the coming years. As AFAD, we are also happy to support such events. Thank you.

## **CAPTAIN RAUL ANGULO**

Retired Fire Chief

So honored and excited to be a part of the NADMEX 2024 Exhibition for disaster preparedness. Definitely being proactive and taking the preparedness seriously here in greater İstanbul, Turkey. You could just tell by the exhibits, exhibitors, the equipment, the apparatus that is on scene. I am so honored to be invited to contribute my experience and education to help them plan for fires that will accompany disasters. But this is going to be a great conference, it is going to grow and grow in this greater İstanbul area.

# WHAT DID THEY SAY ABOUT NADMEX 2024?

[WATCH THE VIDEO](#)

## **SELÇUK TÜTÜNCÜ**

Istanbul Metropolitan Municipality, Head of Disaster Affairs

We have been involved in NADMEX from the very beginning. It has been a very detailed and well-organized effort. There is a lot of hard work behind it. We contributed to this effort as well. Thank you for inviting us. We look forward to seeing you again next year.

[WATCH THE VIDEO](#)

## **SHIGEO TATSUKI**

Professor of Sociology, Doshisha University

I have been observing this exhibition. It is very lively. People are very active. And I am hoping this kind of event will have an impact to the disaster management business in this country.

[WATCH THE VIDEO](#)

## **UĞUR FORA**

Istanbul Metropolitan Municipality, Exhibitions Coordinator

The Disaster Management Exhibition and Summit started very successfully today. Stakeholders from many sectors, including the public, NGOs, and the entire ecosystem, are all here. It is very beneficial for universities, NGOs, and public and private sectors to come together, especially for our beautiful homeland, which is in a disaster-prone area, to take preventive measures before a disaster, spread awareness, and create public consciousness. I think such exhibitions and events play a big role. Therefore, I thank the TG Expo organization team and all public and private institutions that supported this exhibition.

[WATCH THE VIDEO](#)

## **YALÇIN KAYA**

Istanbul Governorship, Istanbul Project Coordination Unit

I have been involved in the disaster sector since 1999. The presentations at the event, both from sector leaders and the interest from the participants, were excellent. It is also very important that institutions from various areas of the disaster management sector come together under one roof to share information and discuss innovations. I would like to thank all the institutions that contributed to this event.

## NADMEX Disaster Management Exhibition and Summit will be at İstanbul Expo Center on **4-6 DECEMBER 2025!**

### Transportation Options to the Fairgrounds

#### **METRO (SUBWAY)**

You can reach our fair area by getting off at the 'World Trade Center- İstanbul Fair Center' stop on the Yenikapı-Atatürk Airport Metro line. For detailed information: <https://www.metro.istanbul/en/>

#### **BUS**

To reach our fairground by bus, you can use IETT bus connections and get off at the Airport Metro 'World Trade Center-Istanbul Fair Center' station. For detailed information: <https://iett.istanbul/en>

#### **MARMARAY**

For Marmaray transportation to IFM, you can use the Marmaray-Yenikapı Airport Metro connection and get off at the 'World Trade Center-Istanbul Expo Center' station. Alternatively, you can get off at Marmaray Yesilyurt stop and reach our fairgrounds within 5 minutes by taxi. For detailed information: <https://marmaray.gov.tr/>

#### **TAXI**

The distance between İstanbul Airport and the fairground is approximately 45 kilometers. Our visitors and exhibitors who will use a taxi can reach our fair area in approximately 35 minutes. The distance between Sabiha Gökçen Airport and the fairground is approximately 70 kilometers. Depending on the density of traffic, it takes at least an hour to reach our fairground.

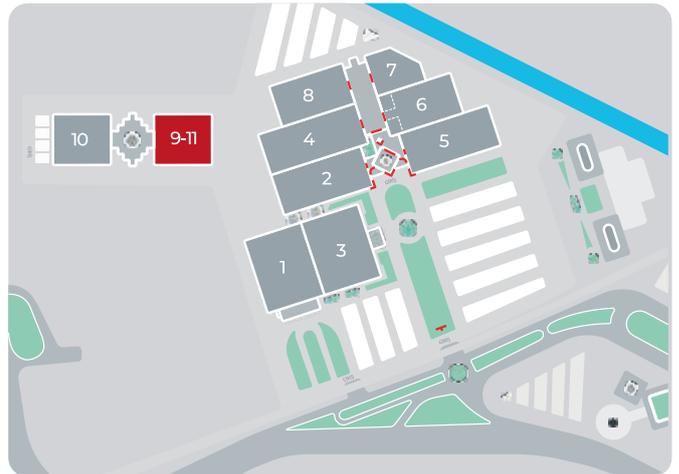

#### **METROBÜS**

For transportation by Metrobus, after arriving at Ataköy-Şirinevler station, you can use the Airport Metro Connection and get off at the 'World Trade Center-Istanbul Fair Center' stop to reach our fair area. Ayrıntılı bilgi için: <https://iett.istanbul/i-cerik/metrobus-hatları>

#### **AIRLINE**

Our exhibitors and visitors who will travel from İstanbul Airport can arrive at the Yenibosna-Kuleli stop via Havaist or HVIŞT-10 buses, then reach the Airport Metro connection and come to our fair area from the 'World Trade Center-Istanbul Fair Center' station. Our exhibitors and visitors coming from Sabiha Gökçen Airport can come to Taksim by Havabus buses and reach our fair area via Airport Metro or Metrobus.
